the History

Jim Reinowski was a long time member involved in all phases of the Section activities. His sudden passing in January 1994 left a void in our organization. The IES Milwaukee Section established a scholarship fund in 1993 to assist applicants registered in a College or University working towards a degree in engineering, science, architecture, interior design, or related degree whose curriculum is related to illumination. The Scholarship is available to students with the reference of an IES Member during their Junior or Senior year of college. This scholarship was renamed The James E. Reinowski Memorial Scholarship in memory of Jim's support and service to the industry and this organization.

All sponsors will be recognized via IES MKE's website and social media accounts!

the Outing

Due to the unprecedented times we're living in, this year's golf event will be different. With the health and safety of our members and attendees our number one priority, we have made the difficult decision to not host a group event this year.

To continue the tradition of the fundraiser for our scholarship fund, we are pleased to announce the opportunity to carry on the golfing / playing / comradery that you've known and enjoyed for years!

You choose which package you prefer. For both packages, scheduling play time with your foursome is done on your own. If you opt for Package A, vouchers will be provided by Dave Huber to the foursome's main contact person. Vouchers may be redeemed anytime between September 1, 2020 and October 31, 2021. If you opt for Package B, play is completely on your own. Signing up for either Package contributes to the IES MKE Scholarship Fund and enters your foursome into the raffle prize pool. There is no limit to how many times you play!

Hole Sponsorship is still available! Sponsorships will provide our event with raffle prizes purchased from local businesses. Sponsors and local businesses supported will be recognized across all our social media platforms. 18 raffle prizes will be provided to 18 lucky players, chosen with an online randomizer.

Please tag IES Milwaukee on social media of your golf/game outing so we can enjoy the fun along with you and see all your smiling faces! @iesmke38 @iesmilwaukee #iesmkeevents #iesmkegolfouting

The IES Milwaukee Chapter thanks all those who support this event.
